In September 1899 the D Gl of Edn., recommended a monthly grant of Rs 40 for 8 months in the year to M D Krishnaswami Iyengar, a Professional Exhibitor of magic Lantern He was then of opinion that the Inspecting officers themselves should become accustomed to the use of the lantern

Govt approved of the D Gls recommendation and sanctioned the employment of the exhibitor tentatively for 2 years (from april 1900) and a grant in aid of Rs 320 per annum was accordingly sanctioned from the V, S, Fd. for that period. Govt also observed that "He (the exhibitor "should be deputed to each of "the Deputy Inspectors by rotation "so that they may all receive "the necessary instruction (to manu "pulate a lantern) within a "reasonable time Arrangements "should also be made for "the supply of additional

"additional lanterns with
"the necessary complement of
"Educational slides - - -"
"with a view to supplying the
"Deputy Inspectors with.

The 9 th in the present
communication refers
to this intention of Govt and
says that "it has not been
"carried out, as the Deputy
"and Assistant Deputy Inspectors
"have hardly sufficient time
"to go through their proper work
"of inspecting schools and
"cannot be burdened with
"additional work" He
therefore recommends that
the services of the Lantern Exhibitor
may be retained for some
time longer ie from January
1902 to June 1903 inclusive

A monthly pay of Rs 50
is now recommended for the
exhibitor in place of Rs 40
for 8 months in the year which
was originally sanctioned

OFFICE OF INSPECTOR GENERAL OF EDUCATION IN MYSORE,
Mysore Bangalore, 10 December 1901

From

H J BHABHA Esq. M A,
Inspector General of Education in Mysore

To

H V Nanjundayya Esq, M A, M L,
Secretary to the Government of Mysore,
General and Revenue Departments,
Bangalore

SIR,

I have the honour to inform you that by Government Order No 11036-37/Ed 454 dated 5th April 1900 a grant-in-aid of Rs 40 a month to Mr. M D Krishnaswamy Iyengar Magic Lantern Exhibitor was sanctioned tentatively for two years, and he was to be employed for eight months in each year. He commenced two exhibitions in May 1900, and has since then worked in the districts along with the Deputy Inspectors for sixteen months. He has toured in five districts and has yet to visit the

schools in the remaining three districts The exhibitions have been exceedingly popular and useful, and every Deputy Inspector of the Districts visited speaks enthusiastically of the Exhibitor's work They with one voice recommend the permanent employment of the Exhibitor The original idea of providing a magic lantern and slides for each inspecting officer has not been carried out, as the Deputy and Assistant Deputy Inspectors have hardly sufficient time to go through their proper work of inspecting schools, and can not be burdened with additional work When the Inspecting Staff is reorganised it may be possible to carry out the original plan and dispense with the services of a special Lantern Exhibitor. Under these circumstances I recommend that a monthly grant of Rs 50 may be sanctioned for him from January 1902 to June 1903 inclusive

2. For the six months from January to June 1902 a sum of Rs 300 will be required for the grant, of which there

is a balance left unspent of Rs 120 in the budget of the current year under the head of Grants-in-aid A supplemental sum of Rs 180 is therefore required during the current year I request that Government may sanction this amount from the balance to the credit of the Village School Fund or the savings of the Village School Fund Budget of the current year. A provision of Rs 600 will be made in the budget of 1902-1903 if the above proposals are sanctioned

I have the honour to be,
Sir,
Your most obedient servant
J G Baddeley
Inspector General.
